

We take our cocktails seriously. And by seriously, we mean seriously fun.

We have crafted the most tantalising concoctions inspired by the eccentric recipes of the Soda Jerks and Pharmacists from London's very first Soda Fountain, which was housed on this site.

Our range of liquid indulgences can be enjoyed in the form of cocktails, rickies, or ice cream floats for pick-me-up apéritifs or finish-me-off digestifs.

Plastic straws are a growing danger to the safety of our oceans – so Fortnum's now uses only plant-based and paper straws in our seven restaurants and bars. Find out more at [fortnumandmason.com/information/straws](https://www.fortnumandmason.com/information/straws)
